

COPE® CONDUIT TO WIRE BASKET CLIP

NEW STOCK ITEMS

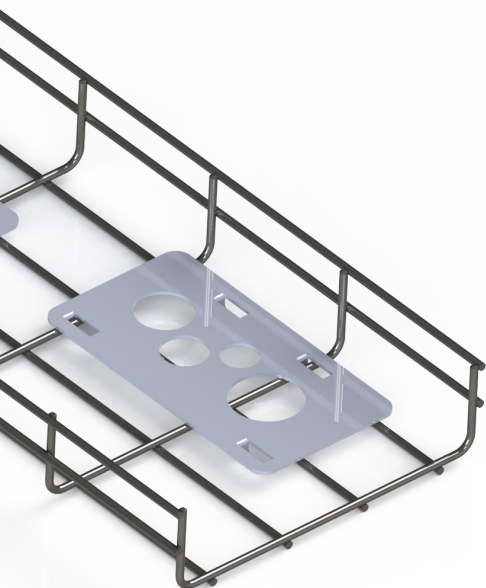

A PART OF **Atkore**
INTERNATIONAL

cope's new wire basket accessory, the Conduit to Wire Basket Clip, aids in the attachment of conduit to wire basket. The only tool needed is a pair of pliers. One part offers two configurations, allowing for mounting of 1/2" to 1-1/4" EMT connectors. The bottom mount design can also be configured for side mounting.
